CONNECT WITH YOUR URBAN ROOTS

@KEVCALE

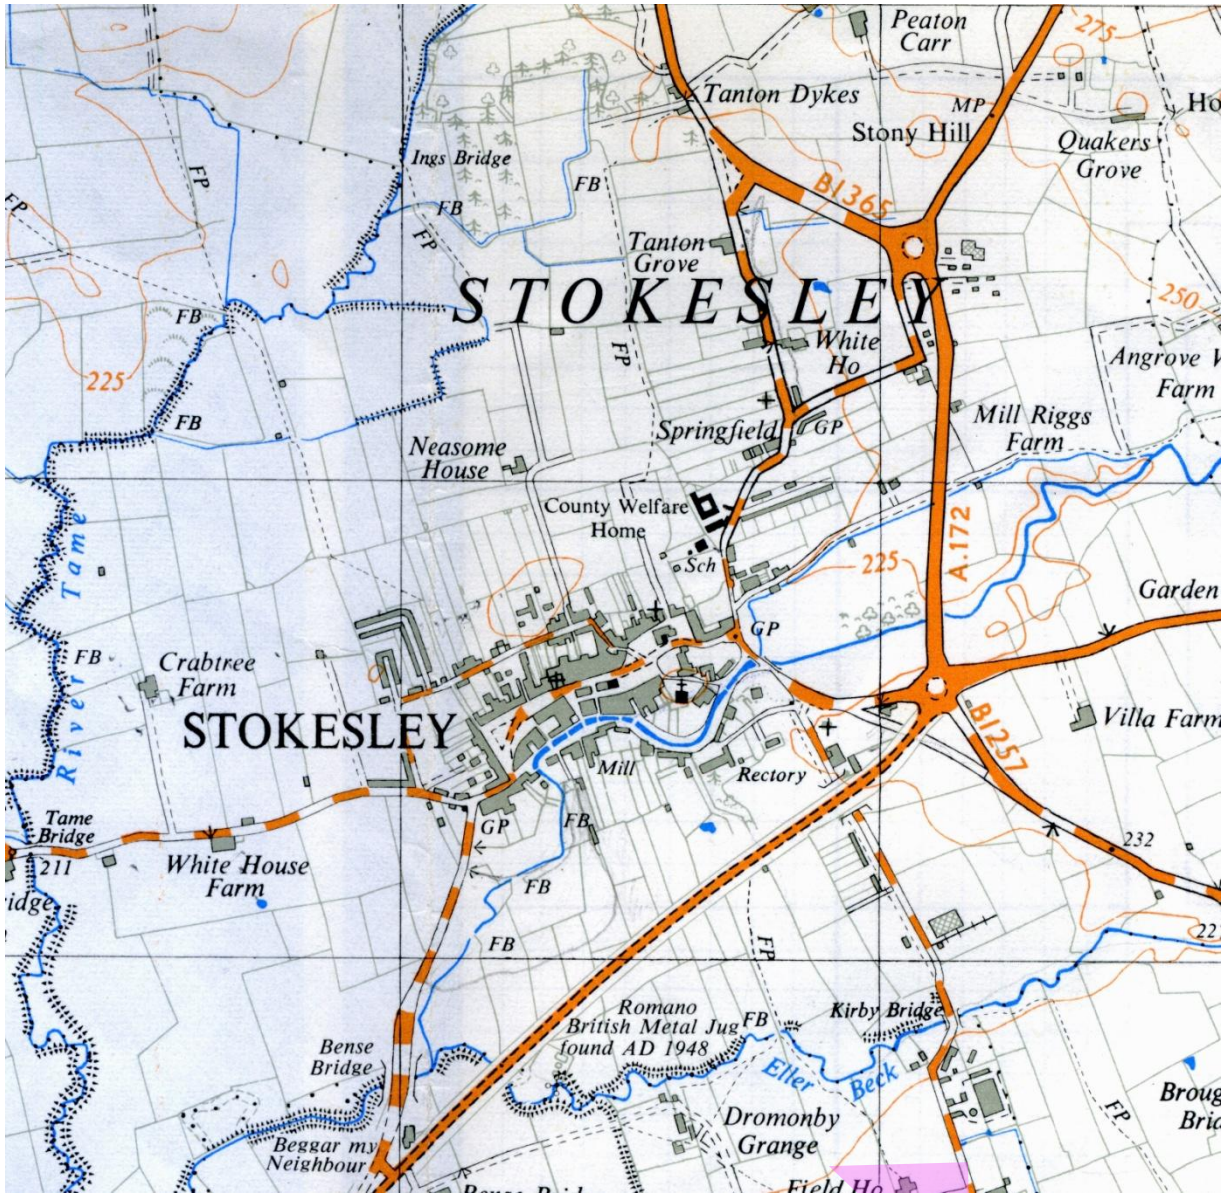

Have you seen humps & bumps like these?

If so we want to know

ARCHAEOLOGISTS LIKE ME CALL THESE BUMPS RIDGE AND FURROW. THEY WERE CREATED BY MEDIEVAL FARMERS WHO PLOUGHED THEIR FIELDS WITH OXEN DRAWN PLOUGHS. BY SPOTTING THE REMAINS OF THEM IN AND AROUND STOKESLEY YOU CAN HELP ME AND THE STOKESLEY SOCIETY WORK OUT HOW THE LAND WAS FARMED HUNDREDS OF YEARS AGO.

USE THIS OLD MAP OF STOKESLEY TO MARK UP WHERE RIDGE AND FURROW SURVIVES TODAY OR WHERE FAMILY OR FRIENDS REMEMBER IT. BEST WAY OF DOING THIS IS WITH A DOUBLE HEADED ARROW TO PICK UP WHICH WAY IT IS ALIGNED.
